### THE GAZETTE. SATURDAY EVENING, AUGUST 22.

A MONKEY IN TROUBLE .- Sam Wilcoxen, of the Eagle Brewery, has a small menagerie of monkeys, badgers, foxes, coyotes, and the like. He also has a large Newfoundland dog, on whose back he sometimes places one of his pet monkeys when he is going for a walk about the town, the monkey fastened to the collar of the dog by a string. As a general thing the monkey enjoys his ride, but we saw him a day or two since when he would willingly have traded himself off for some less-privileged specimen of his species. His canine steed being allowed to roam the streets at will, saw another dog that he thought he could whip, and forthwith went for him like a bairy hurricane. In a moment both dogs were on their hind legs and going for each other like two sausage machines. This made times very lively for the monkey, as the stranger dog evidently considered him as part and parcel of his antagonist. Such wails of despair as that moukey uttered, and such bideous faces as he made we never heard or saw. He would climb down the side of the dog he bestrode opposite where the war was going on, and thence peep over occasionally, his jaws quivering, visage distorted, and his eyes starting from their sockets with terror. As the dogs were constantly changing sides, it made times awfully lively for the monkey .-When he jumped to the ground the string held him, and he found himself trampled under the feet of both friend and foe, and he was glad to get again upon the back of his steed and face the battle. The poor monkey was in a worse fix than the boy who stood on the burning deck, and had not the dogs been separated he must soon have been rendered a fit subject for the Stockton Insane Asylum. As it was, he did not get over examining the end of his tail for wounds for four hours after the battle -perhaps he had fears of hydrophobia. - Virginia (Nevada) Enterprise.

A Western moralist thinks that the two great evils of the present day are "intoxication and costly funerals."

#### Conservative Congressiona! Convention for the Lighth District.

In accordance with the recommendation of the State Committee of the Conservative Party, we hereby give notice that a Convention of the Conservative Party of the Eighth Congressional District will be held in Alexandria, on the 26th day of August, 1874, for the purpose of nominating a candidate for Congress from this District. The State Committee have recommended "that each township of a county and ward of a city shall be entitled to one delegate for each one hundred Conservative voters and one for fractions over fifty." We, therefore, carnestly recommend to the Superintendents of the several counties in this Congressional District to take the proper steps under the plan of organization for the appointment of delegates from their respective counties, and in case it be thought expedient to appoint the delegates by townships or wards, we then recommend to the County Superintendents to call the meetings for the same day and hour in each township and ward.

### THE PITTSBURG STEAM WASHER, OR FAMILY FAVORITE. THE GREATEST SUCCESS OF THE AGE JUST PATENTED.

It will do an ordinary washing while the family are eating breakfast and washing up the dishes. It will do your washing while you are sitting in the parlor reading the morning paper or enter-taining a friend. The washing is done by steam and streams of hot soap suds pouring on the top and passing through all the clothes to the bottom of the Washer, only to return with a steady flow fro u the centre pipes, making a perfect fountain with continued streams of hot water and steam, amounting to barrels in a short time. People stand by asking with astonishment "where does the water come from?" These continu us streams so thoroughly cleanse your clotnes that they are most beautiful in from 30 to 40 minutes. No wear or tear. Clothing washed in the Pitts-burg Steam Washer will last double the time of those washed in a machine or by hand. The finest lace goods washed without the least injury.
